Dear Parents / Carers

As you may be aware from local and national press releases a suspicious email has been sent to multiple schools within the country this morning. Our school has NOT received such an email, which are believed to be part of a scam email chain. We have been in contact with the police and they have advised that this is a very low-risk situation and to not change our procedures at this time.

Please be assured that the safety and security of our students is of paramount importance and we are continuing to be vigilant. As this is a very low risk situation, we advise parents and carers not to be concerned and believe there is no additional reason to contact the school at this time.

We recommend that parents arrive at the usual time to collect their children after the school day.

Yours sincerely

C D'Cunha
