All About Traineeships webinar

Join Amazing Apprenticeships and the Department for Education for a free webinar on Monday 23rd November at 3.45pm. We will be covering everything you need to know about Traineeships, with a chance for Q&As at the end. [Click here](#) to register.

Colchester Institute

colchester.ac.uk/2021

Our 2020 Online events are proving to be very popular!

By now students and parents should hopefully have had the chance to access our videos and online resources which give an insight into the Exciting study programmes offered here. As you know, these study

Programmes can lead to careers which are satisfying, lucrative and fulfilling for many students, with Transition from school to college being a happy and enjoyable one.

Student online Zoom Sessions

Once students have familiarised themselves with various areas and wish to explore more subjects in greater depth, they have the opportunity to speak directly with members of staff via a booking to attend one of our Online Zoom sessions. These sessions will take place on selected evenings from 5pm, thereby allowing students the opportunity to sit with parents and or their carers to glean further Information should they wish to. Appointments are now live and students are encouraged to book their chosen slots as soon as possible. Remember there is no limit to the amount of sessions you can book, so if young people are undecided after having seen a few videos and presentations, they may find that attending a couple of Online Zoom sessions will help to narrow down their choices.

Copleston Sixth Form

Virtual open which can be accessed via <https://www.copleston.suffolk.sch.uk/>

Icanbea

We recently made a demonstration video of [icanbea...](#) which you may find useful to use. Narrated by a recently qualified apprentice. [college virtual tours](#) [employer virtual tours](#) [general icanbea guide](#)
