

## **Consultation on Admission Arrangements for 2022/23**

**21 September 2021 to 3 November 2021**

As the Admitting Authority for Chantry Academy, The Active Learning Trust (ALT) is seeking views on admission arrangements for the school year 2022/23. All schools within the ALT follow the Admissions Code and the law relating to admissions. This accords with the Trust's funding agreement with the Department for Education.

Suffolk County Council will continue to co-ordinate the admission arrangements for the normal year of entry (Year 7) and ALT will continue to administer in-year applications and appeals. Parents wishing to apply for a school place outside of a normal year of entry should contact the school office for further information.

When a school receives a higher number of applications than it has places available an oversubscription criteria is used to determine which pupils are allocated a place.

Children who have a Statement of Special Educational Needs, or an Education, Health and Care plan which names the school, must by law be offered a place at that school.

Given below is a summary of the oversubscription criteria proposed for Chantry Academy:

For applications to the normal year of entry, these criteria will be applied according to the circumstances existing by midnight at the end of the closing date for applications. For in-year applications, these criteria will be applied according to circumstances existing at the time of applications.

*A: A 'looked after child' or child who was previously looked after, but ceased to be so because they were adopted or became subject to a child arrangement order or special guardianship arrangements. (A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of its social services functions (see definition in section 22(1) of the Children Act 1989). This includes children*

*This includes children who appear to the Admission Authority to have been in state care (i.e. in the care of or accommodated by a public authority, religious organisation or any other provider whose sole/main purpose is to benefit society) outside of England but ceased to be so as a result of being adopted only.*

*B: Children with a sibling attending the school at the time of application who is reasonably expected to still be attending the school at the proposed time of admission.*

*C: Children who are ordinarily resident within the school's catchment area*

*D: Children who are ordinarily resident outside the school's catchment area but attend one of the schools within the Chantry pyramid*

*E: Other children by distance from the school with priority for admission being given to those living nearest to the school as measured by a straight line.*

As part of the consultation process, you are entitled to give your views on the proposed changes to the admission arrangements (namely, in relation to the proposed changes to the oversubscription criteria outlined above). You can do this by either:-
