

## Practical Lessons at Chantry Academy

As we are all preparing to come back to school, we know you all have some questions about some of our practical subjects.

### PE Kit

You will still be able to participate in practical lessons!

On the days you are timetabled to have **PE** and/or **dance** please come to school in PE/Dance kit. You may bring your uniform to change into afterwards if you wish.

### Music Lesson

Those of you who attend one to one music tuition this will still go ahead. Practice rooms are well ventilated and sanitized between each lesson. Masks will need to be worn throughout the session. Unfortunately, due to government guidelines we will not be able to run group singing practices but one to one vocal lessons will still be running with both student and teacher wearing a mask.

### DRAMA

- Sanitise when entering and leaving the room
- Masks to be worn throughout the lesson
- Set groups for the term
- No contact work.

### DANCE

- Please wear PE/Dance kit on the days you have Dance
- Sanitise hands when entering the room
- Masks do not need to be worn for practical
- The studio will be well ventilated
- Set groups for the term
- No contact work.

### PE

- Wear PE kit on the days you have PE
- No masks to be worn in practical lessons for PE indoors or outdoors - as advised by the DFE
- Masks to be worn in the PE Corridor
- Sports hall will be well ventilated
- Sports activities will happen indoors and outdoors

### MUSIC

- Sanitizing coming in and going out
- Students are in seating plans at the start of the lesson when sat down. If they move to the sides to use mics, they will also be in seating plans.
- Masks to be worn all lesson
- Instruments can be used as can practice rooms, but everything is sanitised after use/before the next class.
- No contact work
- Windows to remain open throughout
- Tables & chairs to be sanitised
- No group singing
