

# Autumn Term Homework Tasks - Year 9 set 6 and 7

You need to complete six Maths Watch tasks. These will be set at the start of the Autumn Term. Your teacher will tell you when you have completed the required learning to do the task. Record your scores in the table below:

Task Name	Date completed	Score

In addition to the Maths Watch tasks you must complete 6 of the tasks below. You must complete at least 2 core maths task, 2 numeracy task and 2 literacy task, you can then choose any other two tasks to complete.
