6 July 2021

Dear Parents and Carers

### **COVID-19 Update**

Following the Prime Minister's announcement yesterday regarding the lifting of restrictions on 19 July, we have decided to keep the current mitigations in place until the end of term - 20 July.

Our mitigations remain as follows:

- Staggered start and end of the day
- Forward facing within classrooms
- Sanitising work surfaces and chairs
- Sanitising hands on entry and exit of classrooms
- Use of the one-way system
- Adherence to year group bubbles
- Separate year group social areas with sanitisation between change over
- Staff only teaching zone with limited staff movement around the room
- 1:1 devices to access collective materials on-line
- Regular Lateral Flow Testing twice per week

During the summer break we will be reviewing the processes we use to ensure we follow the most up to date guidance.

Recently there has been a number of positive cases within our community. Whilst this increase has impacted on several students, we believe the transmission has occurred outside school, but we must remain vigilant to ensure we all comply with these restrictions.

Thank you for your ongoing support.

Yours faithfully

**C D'Cunha**
