Dear Parents and Carers

School expansion consultation

The school is consulting on increasing the capacity of the school from 900 to 1050 students. The expansion will be accompanied by a building project consisting of 12 new classrooms and a library; alongside this there will be internal alterations within the existing school building.

From September 2022 the pupil admission number for the year intake will increase from 180 to 210. This will continue to be PAN for subsequent Year 7 admission.

The need for the expansion has arisen through increased need within the local area following increased housing development. As part of this process we are opening a consultation over the next four weeks. The link below will take you to a short survey so we can collect your views. The consultation will conclude on Thursday, 27 May.
