Parental Responsibility	Parents to notify close contact family and friends and follow advice as per NHS Covid-19 guidelines http://www.nhs.uk/conditions/coronavirus-covid-19/		

In order to ensure these arrangements work effectively and minimise the risk of compromising families' Christmas break, please adhere to the following:

- Parents to seek tests via testing centres rather than via postal tests as this can significantly delay confirmation of results. Results are normally forthcoming in 24 hours via test centres.
- Parents to notify school if children have symptoms after schools close (as outlined above) – even when waiting for a test result, families can be advised to take necessary steps whilst awaiting confirmation.
- So as to minimise the risk of infection within school (and the wider community) please ensure you continue to adhere to social distancing protocol.

If there is anything you are at all unsure about regarding these arrangements please contact the school before the end of term.
