Dear Parents and Carers

I would like to bring your attention to a phenomenon that has started to manifest itself within the student body. "Nice Cut G" has been widely circulated on social media, particularly TikTok. This is when a child slaps the back of the head of another child and states "Nice Cut G". This results in a negative reaction from the other student.

This physical assault is not tolerated within school and will result in a sanction under our disciplinary procedures. All students will have this explained during form time. I would ask that you reinforce these expectations with your child at home.

Thank you for your cooperation.

Yours sincerely

C D'Cunha
